EDUCATION

•Harcourt Butler Technical University, Kanpur *2020-24*
Bachelor of Technology in Information Technology CGPA: 8.39

•Sant Atulanand Convent School- Intermediate *2019*
Central Board of Secondary Education(C.B.S.E) Percentage: 81.4

•Sant Atulanand Convent School- High School *2017*
Central Board of Secondary Education(C.B.S.E) CGPA: 9.4

EXPERIENCE

•Akiyam Solutions Private Limited, Vadodara *August 2023-September 2023*
Web Development Intern *Remote*
- Revamped the front-end architecture of a comprehensive web platform, utilizing **HTML** , **CSS** and **JavaScript** resulting in a improvement in page load time, enhanced user retention, and increase in conversion rate.
- In my role as a Front End Intern,I took the lead in developing two responsive websites.Using **HTML**, **CSS**, **JavaScript**, I designed user-friendly interfaces that led to a significant boost in website performance.
- I utilized version control systems like Git to manage code changes and distribute tasks efficiently. This approach streamlined our development process, enhancing overall productivity.

•uFony Services Private Limited, Pune *April 2024-May 2024*
Software Developer Intern *On-Site*
- Worked closely with senior developers to understand the ASP.NET framework, including **ASP.NET MVC** and **ASP.NET Core** (depending on the company's specific use).
- In my role as a Software Developer Intern,I designed various modules like payment and transport.Using **HTML**, **CSS**, **JavaScript**,**JQuery** and **ASP.NET MVC**, I designed fully fledged modules having user-friendly interfaces.
- I utilized version control systems like Git to manage code changes and distribute tasks efficiently. This approach streamlined our development process, enhancing overall productivity.

SKILLS AND TECHNOLOGIES

Programming Languages:Core Java, C# Javascript , HTML, CSS
Technologies And Tools:Visual Studio, Data Grip, VS Code, MSSQL, Netlify, IntelliJ IDEA, Git/GitHub
Technical Skills & Frameworks: ReactJs, postgresql, ASP.NET MVC, Bootstrap, Jquery,
Relevant Coursework: Data Structures And Algorithms, DBMS, OOPs, Entity Framework
Soft Skills: Problem-Solving , Leadership, Teamwork and Collaboration, and Adaptability

PROJECTS

•Portfolio (Link)
Personal Portfolio showcasing web development, design, and problem-solving skills.
- Explore my carefully designed, responsive portfolio highlighting GitHub projects, resume, and technical skills, elegantly showcasing my achievements.
- Incorporated diverse contact methods: WhatsApp, Facebook Messenger, and EmailJS-powered direct form submission for streamlined and efficient communication on my website.
- Technologies used are **ReactJs , CSS3 & EmailJs**

•CodePen (Link)
CodePen is like a playground for front-end developers, where creativity knows no bounds, and innovation takes center stage.
- CodePen is a popular online code editor and social development environment. It allows users to write HTML, CSS, and JavaScript code snippets with a live preview. CodePen fosters collaboration and creativity, making it an invaluable resource for web developers to learn, experiment, and showcase their skills in a supportive community.
- Technology Used: React and Material UI.

ACHIEVEMENTS

- **LeetCode** Completed 400+ coding challenges on a prestigious coding platform . **(Link)**
  * Attained a 3-star rating and currently ranks within the upper 25% of participants on the LeetCode platform.
- **GeeksForGeeks** Tackled over 300+ coding questions on the Geeks for Geeks platform. **(Link)**
- Participated in **MPGI HACKSS 2023**, a national-level hackathon . **(Link)**
- Awarded a fee waiver seat in college, which is granted to top rankers in the **JEE Mains 2020**.
